Services and Price List as of February 1, 2010

Carding – Your fiber can be carded into either rovings or batts. Staple lengths of 2 – 9 inches will process best. We have a 5 roller, 32 inch carder. This carder will remove much of the vegetable matter in the fiber if it is not an excessive amount. The process cannot remove 100% of vegetable matter. Fiber is tumbled and picked prior to carding which also removes vegetable matter. Fiber is washed and rinsed prior to processing. Pre-washed fiber may need to be rewashed if it is sticky or greasy.

There is a \$10 set up charge per order. Roving can be further pin drafted after carding to enhance the roving for spinning. Custom dyeing is also available for rovings. A custom blending service is available with other fibers or colors you supply or we supply. The cost of the fiber to be blended will be in addition to the processing cost. Please call for information and availability regarding fiber to blend with and colors for dyeing. **PRICES ARE BASED ON RAW WEIGHT OF FIBER RECEIVED.**

Service	Price per pound*
Set up Fee	\$10.00 per order
Carding - All wool fiber (includes scouring, picking and tumbling to remove vegetable matter)	\$6.50
Rewashing (If fiber is excessively dirty and needs rewashing) Rewashing is standard for Suri Alpaca.	\$2.50
Carding Exotic fiber – Mohair, Alpaca, Llamas	\$8.00
Pin Drafting	\$3.00
Scouring - If not being further processed	\$3.50
Custom dyeing	\$7.00
Custom Blending (price of fiber to be blended is additional)	\$1.50

* price per pound raw weight unless otherwise stated.

Services and Price List as of February 1, 2010

Spinning - Our spinning process produces a semi- worsted yarn in a variety of weights. Prices for spinning include washing, carding and pin drafting to prepare the fiber for spinning. Spinning prices are based on **in coming weight**. All yarn will be put into skeins unless other wise specified. Yarn can be plied to a specified number, 2 and 3 ply are standard. Blending of yarn colors or types can be done when plying. Prices for exotic fibers are slightly increased due to the efficiency of their spinning characteristics. There will be some loss depending upon the initial fiber. A \$10.00 set up charge per order also applies to spinning orders. A minimum of three pounds of fiber is needed for spinning all weights below worsted or bulky. A minimum of five pounds is needed for bulky or worsted weight.

Service	Price per pound*
Spinning – All Wool Fibers – Single ply	\$18.50
Spinning Exotic Fibers – Mohair, Alpaca, Llama	\$20.50
Suri Alpaca – Rewash fee	\$2.50
Plying – 2-3 ply	\$1.50
Plying – greater than 3 ply	\$2.00
Custom Blending (price of fiber to be blended is additional)	\$1.50
Set Up Fee	\$10.00 per order

Shipping – All orders will be shipped UPS ground or US Postal Service. Cost for shipping will be added to each order. Faster shipping is available and will be charged at UPS rates. Incoming orders should be sent to Illinois Wool & Fiber Mill, 10828 Caledonia Rd., Belvidere, IL 61008.

Terms – All orders must be prepaid prior to shipping. Once fiber is processed, an invoice will be sent. Payment is accepted via money order, personnel check., visa or MasterCard, or paypal.
